Comprehensive expertise and portfolio

- ▶ Among the top suppliers worldwide for electric steering systems and commercial vehicle steering systems
- ▶ Broad product portfolio with continuously growing vehicle coverage

A strong partner: support and trainings

- ▶ Technical support for workshops and wholesalers
- ▶ Comprehensive range of training modules and many supporting materials (e.g. installation manuals)

High quality and safety levels

- ▶ Original spare parts from Bosch
- ▶ High product reliability and durability achieved via full compliance with all safety and quality requirements according to Bosch standards.

High service level

- ▶ Customer-friendly and reliable vehicle identification, simplified warranty process
- ▶ "eXtra" bonus program

Global presence and instant availability

- ▶ High product availability thanks to "make-to-stock" approach
- ▶ Fast delivery times to over 80 countries worldwide

Excellent price-performance ratio

- ▶ Products from Bosch eXchange as a high-quality alternative for repairs in line with a vehicle's fair value while offering the same warranty as in the Bosch new parts program.
- ▶ Bosch eXchange saves resources and makes an important contribution to the circular economy by reusing old parts.
